TURBOCHARGERS

Tata Ultra BS6 Turbocharger Core

Part No: 104339021369 · Rs. 8,960

A properly matched turbocharger makes all the difference — this Tata Ultra BS6 Turbocharger Core (Part No. 104339021369) is built for Tata Ultra...

Isuzu Turbo Core BS6

Part No: 889291-0009 · Rs. 14,500

Engineered for Isuzu (BS6), our Isuzu Turbo Core BS6 (Part No. 889291-0009) restores the power and responsiveness your engine was designed for.

Tata Ultra BS6 Turbocharger Core

Part No: 415529021469 · Rs. 10,500

Restore lost power and boost response with our Tata Ultra BS6 Turbocharger Core (Part No. 415529021469), engineered for reliable fitment with Tata...

HT60 Turbocharger (Water Cooled)

Part No: 3536808 · Rs. 46,500

Keep your engine breathing right with this HT60 Turbocharger (Water Cooled) (Part No. 3536808), built specifically for a wide range of diesel engines.

JCB Turbocharger

Part No: 762931-0006 · Rs. 28,500

When your turbo starts losing boost, this JCB Turbocharger (Part No. 762931-0006) gets your JCB back to full power.

Turbocharger Core – Perkins

Part No: B2G4588357 / 2674A256 · Rs. 16,600

A properly matched turbocharger makes all the difference — this Turbocharger Core – Perkins (Part No. B2G4588357 / 2674A256) is built for Perkins.

Turbocharger Core – Mahindra Hawk BV43

Part No: 4351902001 · Rs. 6,800

Engineered for Mahindra Hawk, our Turbocharger Core – Mahindra Hawk BV43 (Part No. 4351902001) restores the power and responsiveness your engine was...

Turbocharger Core – Eicher BS6

Part No: 427029021362 · Rs. 14,500

Restore lost power and boost response with our Turbocharger Core – Eicher BS6 (Part No. 427029021362), engineered for reliable fitment with Eicher...

Turbocharger TF035HM – Mitsubishi L200 (1998–2001)

Part No: 49135-02110 / MR212759 · Rs. 34,000

When your turbo starts losing boost, this Turbocharger TF035HM – Mitsubishi L200 (1998–2001) (Part No. 49135-02110 / MR212759) gets your Mitsubishi...

Volvo Eicher Turbocharger Core BS6

Part No: 427029021362 · Rs. 13,000

A properly matched turbocharger makes all the difference — this Volvo Eicher Turbocharger Core BS6 (Part No. 427029021362) is built for Volvo Eicher...

Garrett Turbocharger – Hyundai Verna Fluidic 1.6 CRDi Diesel

Part No: 775274-0003 · Rs. 32,000

Engineered for Hyundai Verna Fluidic 1.6 CRDi, our Garrett Turbocharger – Hyundai Verna Fluidic 1.6 CRDi Diesel (Part No. 775274-0003) restores the...

JCB Turbocharger

Part No: 762931 · Rs. 28,500

Restore lost power and boost response with our JCB Turbocharger (Part No. 762931), engineered for reliable fitment with JCB.

Turbocharger Core – Bharat Benz BS6

Price on Request

Keep your engine breathing right with this Turbocharger Core – Bharat Benz BS6, built specifically for Bharat Benz (BS6).

Tata Zest Turbocharger Core

Part No: 830979 / 570214510101 · Price on Request

When your turbo starts losing boost, this Tata Zest Turbocharger Core (Part No. 830979 / 570214510101) gets your Tata Zest back to full power.

Turbo Core Assembly – Hyundai i10 Grand

Part No: 28201-2A020 · Rs. 6,700

When your turbo starts losing boost, this Turbo Core Assembly – Hyundai i10 Grand (Part No. 28201-2A020) gets your Hyundai i10 Grand back to full...

Turbocharger Core Assembly – Tata Safari Aria (GTC 1446VZK)

Rs. 13,000

A properly matched turbocharger makes all the difference — this Turbocharger Core Assembly – Tata Safari Aria (GTC 1446VZK) is built for Tata Safari...

Turbocharger CHRA – Hyundai i20 / Hyundai Creta / Kia Seltos

Part No: 28201-2A675 · Rs. 10,500

Engineered for Hyundai i20 / Creta, Kia Seltos, our Turbocharger CHRA – Hyundai i20 / Hyundai Creta / Kia Seltos (Part No. 28201-2A675) restores the...

Tata Ace BS6 Turbocharger Core

Part No: 880283-0006 / 57101450102 · Rs. 7,600

Restore lost power and boost response with our Tata Ace BS6 Turbocharger Core (Part No. 880283-0006 / 57101450102), engineered for reliable fitment...

Turbocharger CHRA – Kia Seltos 1.0 GDi Petrol Euro

Part No: 28231-03200 · Rs. 10,500

Keep your engine breathing right with this Turbocharger CHRA – Kia Seltos 1.0 GDi Petrol Euro (Part No. 28231-03200), built specifically for Kia...

Turbocharger Core (CHRA) – Ashok Leyland

Part No: X3M04000 / 5352729 · Rs. 10,900

When your turbo starts losing boost, this Turbocharger Core (CHRA) – Ashok Leyland (Part No. X3M04000 / 5352729) gets your Ashok Leyland back to full...

Turbocharger Core Assembly – JCB 444/448 Excavator

Part No: 320-6377 · Rs. 29,600

A properly matched turbocharger makes all the difference — this Turbocharger Core Assembly – JCB 444/448 Excavator (Part No. 320-6377) is built for...

Turbocharger Core – Suzuki Baleno 1.0 LTR

Part No: 13900-50R00 · Rs. 13,000

Engineered for Suzuki Baleno 1.0L, our Turbocharger Core – Suzuki Baleno 1.0 LTR (Part No. 13900-50R00) restores the power and responsiveness your...

Turbo Actuator

Part No: 789016 · Rs. 9,800

Restore lost power and boost response with our Turbo Actuator (Part No. 789016), engineered for reliable fitment with a wide range of diesel engines.

Turbocharger CHRA / Core Assembly

Part No: 754852-5122S · Rs. 6,590

Keep your engine breathing right with this Turbocharger CHRA / Core Assembly (Part No. 754852-5122S), built specifically for a wide range of diesel...

Turbocharger Core Assembly – Tata Indigo (GT12)

Part No: 279714510103 · Rs. 5,800

When your turbo starts losing boost, this Turbocharger Core Assembly – Tata Indigo (GT12) (Part No. 279714510103) gets your Tata Indigo back to full...

Turbocharger CHRA

Part No: 28201-2A870 · Rs. 9,000

A properly matched turbocharger makes all the difference — this Turbocharger CHRA (Part No. 28201-2A870) is built for a wide range of diesel engines.

Turbo Charger CHRA GT35 – Mahindra Navistar 2325 HD Truck

Part No: 811053-0001 · Rs. 6,590

Engineered for Mahindra Navistar 2325 HD Truck, our Turbo Charger CHRA GT35 – Mahindra Navistar 2325 HD Truck (Part No. 811053-0001) restores the...

Turbocharger CHRA / Core Assembly – Model S200G

Part No: 427029021362 / 23208899 / 427019290005 · Rs. 13,000

Restore lost power and boost response with our Turbocharger CHRA / Core Assembly – Model S200G (Part No. 427029021362 / 23208899 / 427019290005),...

Turbocharger CHRA

Part No: 115519290072 / 115529020804 · Rs. 7,000

Keep your engine breathing right with this Turbocharger CHRA (Part No. 115519290072 / 115529020804), built specifically for a wide range of diesel...

Turbo Charger CHRA – BV40

Part No: 03L253055GX / BV40 0007 · Rs. 8,000

When your turbo starts losing boost, this Turbo Charger CHRA – BV40 (Part No. 03L253055GX / BV40 0007) gets your a wide range of diesel engines back...

Turbo Charger CT16

Part No: 17201-11110 · Rs. 43,000

A properly matched turbocharger makes all the difference — this Turbo Charger CT16 (Part No. 17201-11110) is built for a wide range of diesel engines.

Turbocharger CHRA (Core Assembly) – Model HE300WG

Part No: 5554144 · Rs. 6,800

Engineered for HE300WG, our Turbocharger CHRA (Core Assembly) – Model HE300WG (Part No. 5554144) restores the power and responsiveness your engine...

Turbo Core (CHRA) HE250WG – Premium Quality Holset EURO 6

Part No: 5551604 / 5554134 · Rs. 6,800

Keep your engine breathing right with this Turbo Core (CHRA) HE250WG – Premium Quality Holset EURO 6 (Part No. 5551604 / 5554134), built specifically...

IHI Turbocharger Core Assembly

Part No: 17201-0L040 / 17201-0L041 / 17201-0L042 · IHI Turbo · Rs. 11,000

When your turbo starts losing boost, this IHI Turbocharger Core Assembly (Part No. 17201-0L040 / 17201-0L041 / 17201-0L042) gets your a wide range of...

Mitsubishi Turbocharger CHRA – Model VT16

Part No: 1515A170 · Rs. 14,000

A properly matched turbocharger makes all the difference — this Mitsubishi Turbocharger CHRA – Model VT16 is built for VT16.

VGT Assembly For Ashok Leyland BS6 Turbo Charger

Part No: 104739021378 · Rs. 11,500

Keep your engine breathing right with this VGT Assembly For Ashok Leyland BS6 Turbo Charger (Part No. 104739021378), built specifically for Ashok...

Turbocharger CHRA (Cartridge)

Part No: 856313-0016 / 800854-5023S · Rs. 11,500

Engineered for a wide range of diesel engines, our Turbocharger CHRA (Cartridge) (Part No. 856313-0016 / 800854-5023S) restores the power and...

Turbo Charger Core (CHRA)

Part No: 115529021326 · Rs. 6,700

Restore lost power and boost response with our Turbo Charger Core (CHRA) (Part No. 115529021326), engineered for reliable fitment with a wide range...

Turbocharger CHRA / Core Assembly – GT12

Part No: 805088-0001 · Rs. 7,800

Keep your engine breathing right with this Turbocharger CHRA / Core Assembly – GT12 (Part No. 805088-0001), built specifically for GT12.

Turbocharger CHRA / Core Assembly – S200G, Suitable for Volvo 210

Part No: S200G-56209880023 · Rs. 12,000

When your turbo starts losing boost, this Turbocharger CHRA / Core Assembly – S200G, Suitable for Volvo 210 (Part No. S200G-56209880023) gets your...

Ashok Leyland Partner Turbocharger – Garrett

Part No: 812615-5001S · Rs. 7,800

A properly matched turbocharger makes all the difference — this Ashok Leyland Partner Turbocharger – Garrett (Part No. 812615-5001S) is built for...

Garrett Turbocharger – Tata Moves

Part No: 809413-0002 / 27891451 0143 · Rs. 8,000

Engineered for Tata Moves, our Garrett Turbocharger – Tata Moves (Part No. 809413-0002 / 27891451 0143) restores the power and responsiveness your...

JCB Turbocharger Core – Garrett

Part No: 433289-5284S · Rs. 10,000

Restore lost power and boost response with our JCB Turbocharger Core – Garrett (Part No. 433289-5284S), engineered for reliable fitment with JCB.

John Deere Garrett Turbo Core (CHRA)

Part No: 818125-0026 · Rs. 9,800

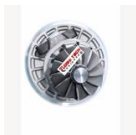

Keep your engine breathing right with this John Deere Garrett Turbo Core (CHRA) (Part No. 818125-0026), built specifically for John Deere.

Turbo Core Assembly – Ashok Leyland

Part No: 415829021693 / 415819290002 · Rs. 11,000

When your turbo starts losing boost, this Turbo Core Assembly – Ashok Leyland (Part No. 415829021693 / 415819290002) gets your Ashok Leyland back to...

TLC Eicher turbo charger core bs6 TRUCK

Part No: 104739021378 · TLC Turbos · Rs. 13,900

Restore lost power and boost response with our TLC Eicher turbo charger core bs6 TRUCK (Part No. 104739021378), engineered for reliable fitment with...

Ashok Leyland Turbo Core Assembly X3M02000

Part No: 127019020977 / 127019021487 · Price on Request

This Turbo Core Assembly (X3M02000, Part No. 127019020977 / 127019021487) is built for Ashok Leyland applications, restoring lost boost and engine...

Tata Nexon Petrol Turbocharger

Part No: 203719290001 / 5715144110101 / 23729020816 · Price on Request

This Turbocharger (Part No. 203719290001 / 5715144110101 / 23729020816) is designed for Tata Nexon Petrol, restoring efficient boost and smooth...

Turbocharger Core Assembly

Part No: 115519290057 · Price on Request

This Turbocharger Core Assembly (CHRA), Part No. 115519290057, includes the complete rotating assembly — compressor wheel, turbine wheel, shaft, and...

Turbocharger Core Assembly

Part No: 115519020568 · Price on Request

This Turbocharger Core Assembly, Part No. 115519020568, is designed for reliable performance, smooth operation, and a long service life.

FUEL INJECTORS

Bosch Common Rail Injector – Ashok Leyland BS4

Part No: 0445110709 · Bosch · Rs. 6,000

Built to OEM specification, our Bosch Common Rail Injector – Ashok Leyland BS4 (Part No. 0445110709) keeps Ashok Leyland (BS4) running clean and...

Eicher Common Rail Injector – Denso

Part No: 29050-1690 · Rs. 13,000

For consistent combustion and smoother running, this Eicher Common Rail Injector – Denso (Part No. 29050-1690) is matched to Eicher.

Cummins Fuel Injector Repair Kit

Cummins · Rs. 4,000

Rough idling or poor mileage often points to a failing injector — this Cummins Fuel Injector Repair Kit is built for Cummins.

Denso Common Rail Injector Repair Kit

Part No: 095000-6353 · Rs. 5,000

Precise fuel delivery starts here: our Denso Common Rail Injector Repair Kit (Part No. 095000-6353) is engineered specifically for a wide range of...

Toyota Innova BS6 Denso Injector

Part No: 23670-OE080 · Rs. 13,000

For consistent combustion and smoother running, this Toyota Innova BS6 Denso Injector (Part No. 23670-OE080) is matched to Toyota Innova (BS6).

Tata Ultra Continental Injector

Part No: 570601160104 · Continental · Rs. 19,500

This Tata Ultra Continental Injector (Part No. 570601160104) restores accurate fuel atomization for Tata Ultra, where it matters most.

Hyundai Delphi Injector – Hyundai/Kia BS6

Part No: 33800-2A150 · Delphi TVS · Rs. 9,600

This Hyundai Delphi Injector – Hyundai/Kia BS6 (Part No. 33800-2A150) restores accurate fuel atomization for Hyundai/Kia (BS6), where it matters most.

Bosch Common Rail Injector BS6

Part No: 044511112B · Bosch · Rs. 6,500

Built to OEM specification, our Bosch Common Rail Injector BS6 (Part No. 0445111128) keeps BS6 running clean and efficient.

Volvo Common Rail Unit Injector

Part No: 21569240 · Rs. 34,000

For consistent combustion and smoother running, this Volvo Common Rail Unit Injector (Part No. 21569240) is matched to Volvo.

Volvo Common Rail Unit Injector

Part No: 21569240 · Rs. 34,000

Rough idling or poor mileage often points to a failing injector — this Volvo Common Rail Unit Injector (Part No. 21569240) is built for Volvo.

Tata Ultra Delphi BS4 Common Rail Injector

Delphi TVS · Rs. 15,000

Precise fuel delivery starts here: our Tata Ultra Delphi BS4 Common Rail Injector is engineered specifically for Tata Ultra (BS4).

Tata 1.5L Delphi Common Rail Injector

Part No: 28591278 · Delphi TVS · Rs. 6,500

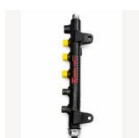

This Tata 1.5L Delphi Common Rail Injector (Part No. 28591278) restores accurate fuel atomization for Tata 1.5L, where it matters most.

Common Rail Injector – JCB Delphi

Part No: 28270450 / 320-6828 · Delphi TVS · Rs. 21,000

Built to OEM specification, our Common Rail Injector – JCB Delphi (Part No. 28270450 / 320-6828) keeps JCB running clean and efficient.

Common Rail Injector – Delphi BS4

Part No: 9199-197 4SP · Delphi TVS · Rs. 16,500

For consistent combustion and smoother running, this Common Rail Injector – Delphi BS4 (Part No. 9199-197 4SP) is matched to BS4.

Fuel Injector – Eicher

Part No: 295050-1690 · Rs. 12,500

Rough idling or poor mileage often points to a failing injector — this Fuel Injector – Eicher (Part No. 295050-1690) is built for Eicher.

Common Rail Injector – Ashok Leyland BS6

Part No: 28629538 · Rs. 6,800

Precise fuel delivery starts here: our Common Rail Injector – Ashok Leyland BS6 (Part No. 28629538) is engineered specifically for Ashok Leyland...

Common Rail Fuel Injector – Kobelco JO5E Euro

Rs. 16,500

Built to OEM specification, our Common Rail Fuel Injector – Kobelco JO5E Euro keeps Kobelco JO5E running clean and efficient.

Common Rail Fuel Injector – Mahindra XUV500

Part No: 0445110498 · Rs. 5,800

For consistent combustion and smoother running, this Common Rail Fuel Injector – Mahindra XUV500 (Part No. 0445110498) is matched to Mahindra XUV500.

Volvo Common Rail Injector

Part No: 295050-1350 / 095000-1350 / 21896867 · Rs. 12,000

Rough idling or poor mileage often points to a failing injector — this Volvo Common Rail Injector (Part No. 295050-1350 / 095000-1350 / 21896867) is...

Common Rail Injector BS6

Part No: 0445111244 · Rs. 6,500

This Common Rail Injector BS6 (Part No. 0445111244) restores accurate fuel atomization for BS6, where it matters most.

Bosch Common Rail Injector BS6

Part No: 0445111178 · Bosch · Rs. 6,500

Built to OEM specification, our Bosch Common Rail Injector BS6 (Part No. 0445111178) keeps BS6 running clean and efficient.

Common Fuel Injector

Part No: 454-5091 / 4545091 · Rs. 7,000

For consistent combustion and smoother running, this Common Fuel Injector (Part No. 454-5091 / 4545091) is matched to a wide range of diesel engines.

Common Rail Fuel Injector

Part No: 0445110655 · Rs. 11,000

Rough idling or poor mileage often points to a failing injector — this Common Rail Fuel Injector (Part No. 0445110655) is built for a wide range of...

Bosch Common Rail Fuel Injector

Part No: 0445120329 · Bosch · Rs. 11,500

Precise fuel delivery starts here: our Bosch Common Rail Fuel Injector (Part No. 0445120329) is engineered specifically for a wide range of diesel...

Bosch Common Rail Fuel Injector

Part No: 0445110316 · Bosch · Rs. 5,000

This Bosch Common Rail Fuel Injector (Part No. 0445110316) restores accurate fuel atomization for a wide range of diesel engines, where it matters...

Mahindra Bolero Diesel Fuel Injector

Part No: 0445110557 · Rs. 5,600

Built to OEM specification, our Mahindra Bolero Diesel Fuel Injector (Part No. 0445110557) keeps Mahindra Bolero running clean and efficient.

DENSO Diesel Fuel Injector

Part No: 23670-0E010 / 2B14849 · Rs. 12,000

For consistent combustion and smoother running, this DENSO Diesel Fuel Injector (Part No. 23670-0E010 / 2B14849) is matched to a wide range of diesel...

Fuel Injector Control Valve

Part No: F00RJ01427 · Rs. 1,900

Rough idling or poor mileage often points to a failing injector — this Fuel Injector Control Valve (Part No. F00RJ01427) is built for a wide range of...

Bosch Control Valve

Part No: F00RJ01425 · Bosch · Rs. 4,900

Precise fuel delivery starts here: our Bosch Control Valve (Part No. F00RJ01425) is engineered specifically for a wide range of diesel engines.

Bosch Common Rail Injector – Bharat Benz BS6

Part No: 0445110927 · Bosch · Rs. 9,000

This Bosch Common Rail Injector – Bharat Benz BS6 (Part No. 0445110927) restores accurate fuel atomization for Bharat Benz (BS6), where it matters...

Delphi Diesel Injector

Part No: 42040923 · Delphi TVS · Rs. 6,800

Built to OEM specification, our Delphi Diesel Injector (Part No. 42040923) keeps a wide range of diesel engines running clean and efficient.

Bosch Common Rail Injector

Part No: 0445120233 · Bosch · Rs. 11,000

For consistent combustion and smoother running, this Bosch Common Rail Injector (Part No. 0445120233) is matched to a wide range of diesel engines.

Bosch Common Rail Injector

Part No: 0445120369 · Bosch · Rs. 9,800

Rough idling or poor mileage often points to a failing injector — this Bosch Common Rail Injector (Part No. 0445120369) is built for a wide range of...

Bosch Injector Valve

Part No: F00RJ02130 · Bosch · Rs. 1,800

Precise fuel delivery starts here: our Bosch Injector Valve (Part No. F00RJ02130) is engineered specifically for a wide range of diesel engines.

Fuel Injector Valve Rod

Part No: F00RC01203 · Rs. 1,900

This Fuel Injector Valve Rod (Part No. F00RC01203) restores accurate fuel atomization for a wide range of diesel engines, where it matters most.

Fuel Injector Valve

Part No: F00ZC01302 · Price on Request

Built to OEM specification, our Fuel Injector Valve (Part No. F00ZC01302) keeps a wide range of diesel engines running clean and efficient.

Control Valve

Part No: F00RJ01479 · Price on Request

For consistent combustion and smoother running, this Control Valve (Part No. F00RJ01479) is matched to a wide range of diesel engines.

Control Valve

Part No: F00RJ02725 · Rs. 1,900

Rough idling or poor mileage often points to a failing injector — this Control Valve (Part No. F00RJ02725) is built for a wide range of diesel...

Injector Control Valve

Part No: F00VC01334 · Price on Request

Precise fuel delivery starts here: our Injector Control Valve (Part No. F00VC01334) is engineered specifically for a wide range of diesel engines.

Injector Control Valve – Suitable for Injector 0445111077

Part No: F00ZCO1067 · Price on Request

This Injector Control Valve – Suitable for Injector 0445111077 (Part No. F00ZCO1067) restores accurate fuel atomization for a wide range of diesel...

Injector Control Valve

Part No: F00ZCO1272 · Price on Request

Built to OEM specification, our Injector Control Valve (Part No. F00ZCO1272) keeps a wide range of diesel engines running clean and efficient.

Ashok Leyland Common Rail Injector (DENSO)

Part No: 1250/05900 · Rs. 13,600

Precise fuel delivery starts here: our Ashok Leyland Common Rail Injector (DENSO) (Part No. 1250/05900) is engineered specifically for Ashok Leyland.

Caterpillar Common Rail Injector – Caterpillar 3406

Part No: 100-7600 · Caterpillar · Rs. 7,000

Rough idling or poor mileage often points to a failing injector — this Caterpillar Common Rail Injector – Caterpillar 3406 (Part No. 100-7600) is...

Caterpillar Common Rail Injector

Part No: 557-7627 · Caterpillar · Rs. 41,000

Precise fuel delivery starts here: our Caterpillar Common Rail Injector (Part No. 557-7627) is engineered specifically for a wide range of diesel...

Cummins Common Rail Injector – Tata Euro-6 (BS6)

Part No: 5491665 · Cummins · Rs. 11,000

This Cummins Common Rail Injector – Tata Euro-6 (BS6) (Part No. 5491665) restores accurate fuel atomization for Tata Euro-6 (BS6), where it matters...

Cummins Fuel Injector

Part No: 4359204 · Cummins · Rs. 18,000

Built to OEM specification, our Cummins Fuel Injector (Part No. 4359204) keeps a wide range of diesel engines running clean and efficient.

Bosch Common Rail Fuel Injector

Part No: 0445120236 · Bosch · Price on Request

This Bosch Common Rail Fuel Injector (Part No. 0445120236) is designed for efficient and precise diesel fuel delivery.

Caterpillar C9 Fuel Injector

Part No: 387-9432 · Caterpillar · Price on Request

This Caterpillar C9 Fuel Injector (Part No. 387-9432) is designed for Caterpillar C9 diesel engines, providing precise fuel delivery and efficient...

Ford EcoSport Bosch Common Rail Injector

Part No: 0445110489 · Bosch · Price on Request

This Bosch Common Rail Fuel Injector (Part No. 0445110489) is designed for Ford EcoSport diesel engines, providing precise fuel delivery and...

Tata Ultra Common Rail Injector

Part No: 0445111010 · Bosch · Price on Request

This Bosch Common Rail Fuel Injector (Part No. 0445111010) is designed for Tata Ultra diesel applications, restoring precise fuel atomization and...

DIESEL FUEL INJECTION PUMPS

Bosch In-Line Fuel Injection Pump BS3

Part No: F002A0Z572 · Bosch · Rs. 34,000

Reliable fuel delivery under load starts with the right pump — this Bosch In-Line Fuel Injection Pump BS3 (Part No. F002A0Z572) is built for BS3.

Bosch Rotary Fuel Injection Pump

Part No: 0460424996 · Bosch · Rs. 38,600

Engineered for demanding duty cycles, our Bosch Rotary Fuel Injection Pump (Part No. 0460424996) keeps a wide range of diesel engines running...

Bosch Fuel Injection Pump – Ashok Leyland BS4

Part No: 0445025043 · Bosch · Rs. 21,500

This Bosch Fuel Injection Pump – Ashok Leyland BS4 (Part No. 0445025043) delivers the precise fuel metering Ashok Leyland (BS4) needs under heavy...

Caterpillar C9/C7 Fuel Injection Pump Repair Kit

Caterpillar · Rs. 12,500

Built for heavy-duty reliability, our Caterpillar C9/C7 Fuel Injection Pump Repair Kit is matched specifically to Caterpillar C9/C7.

Deutz Fuel Injection Pump

Part No: 04287611 · Rs. 29,000

When timing and pressure matter most, this Deutz Fuel Injection Pump (Part No. 04287611) is engineered for Deutz.

Fuel Injection Pump – Delphi BS6, Hyundai/Kia

Part No: 28648833 · Delphi TVS · Rs. 16,000

Reliable fuel delivery under load starts with the right pump — this Fuel Injection Pump – Delphi BS6, Hyundai/Kia (Part No. 28648833) is built for...

Bosch Fuel Injection Pump – Kobelco 140

Part No: 0445020083 · Bosch · Rs. 52,000

Engineered for demanding duty cycles, our Bosch Fuel Injection Pump – Kobelco 140 (Part No. 0445020083) keeps Kobelco 140 running dependably.

Caterpillar Denso Fuel Injection Pump

Part No: 294050-0520 / 294050-0521 · Caterpillar · Rs. 76,000

This Caterpillar Denso Fuel Injection Pump (Part No. 294050-0520 / 294050-0521) delivers the precise fuel metering Caterpillar needs under heavy load.

Fuel Injection Pump – Ashok Leyland BS6

Part No: 9199-158 · Rs. 18,000

Built for heavy-duty reliability, our Fuel Injection Pump – Ashok Leyland BS6 (Part No. 9199-158) is matched specifically to Ashok Leyland (BS6).

Bharat Benz Fuel Injection Pump – Bosch

Part No: 0445020515 · Bosch · Rs. 25,000

When timing and pressure matter most, this Bharat Benz Fuel Injection Pump – Bosch (Part No. 0445020515) is engineered for Bharat Benz.

Bosch Fuel Injection Vane Pump CB28

Bosch · Rs. 4,000

Engineered for demanding duty cycles, our Bosch Fuel Injection Vane Pump CB28 keeps a wide range of diesel engines running dependably.

Fuel Injection Pump Repair Kit – Continental, Tata Ultra

Continental · Rs. 3,500

This Fuel Injection Pump Repair Kit – Continental, Tata Ultra delivers the precise fuel metering Tata Ultra needs under heavy load.

Bosch Fuel Injection Pump

Part No: F0002FC0008 · Bosch · Rs. 6,600

Reliable fuel delivery under load starts with the right pump — this Bosch Fuel Injection Pump (Part No. F0002FC0008) is built for a wide range of...

Bosch Fuel Injection Pump

Part No: F002A0Z416 · Bosch · Rs. 32,000

Engineered for demanding duty cycles, our Bosch Fuel Injection Pump (Part No. F002A0Z416) keeps a wide range of diesel engines running dependably.

Bosch Diesel Injection Pump

Part No: 0445010429 · Bosch · Rs. 46,500

This Bosch Diesel Injection Pump (Part No. 0445010429) delivers the precise fuel metering a wide range of diesel engines needs under heavy load.

Bosch Fuel Injection Pump

Part No: 0414693005 · Bosch · Rs. 17,000

Built for heavy-duty reliability, our Bosch Fuel Injection Pump (Part No. 0414693005) is matched specifically to a wide range of diesel engines.

Bosch Fuel Injection Pump

Part No: 0445010463 · Bosch · Rs. 19,800

When timing and pressure matter most, this Bosch Fuel Injection Pump (Part No. 0445010463) is engineered for a wide range of diesel engines.

Bosch Fuel Injection Pump

Part No: 0445020539 · Bosch · Rs. 23,000

Reliable fuel delivery under load starts with the right pump — this Bosch Fuel Injection Pump (Part No. 0445020539) is built for a wide range of...

Cummins Umbrella BS6 Pump

Part No: 5523641 · Cummins · Rs. 32,000

When timing and pressure matter most, this Cummins Umbrella BS6 Pump (Part No. 5523641) is engineered for BS6.

Mahindra Fuel Injection Pump

Part No: 0445020101 · Bosch · Price on Request

This Bosch Fuel Injection Pump (Part No. 0445020101) is engineered for Mahindra diesel engines, restoring consistent fuel delivery and engine...

Ashok Leyland Fuel Injection Pump

Part No: 0445020141 · Bosch · Price on Request

This Bosch Fuel Injection Pump (Part No. 0445020141) is designed for reliable and efficient fuel delivery in Ashok Leyland diesel engines.

Deutz Fuel Injection Pump

Part No: 04287049 · Rs. 27,000

This Deutz Fuel Injection Pump (Part No. 04287049) is built for reliable and precise fuel delivery in Deutz diesel engines.

Bosch Fuel Injection Pump DRV

Part No: 0928400820 · Bosch · Price on Request

Bosch Fuel Injection Pump DRV (Pressure Control / Regulator Valve), Part No. 0928400820, is designed for Common Rail diesel fuel injection systems,...

Bosch Fuel Injection Pump DRV

Part No: 0928400782 · Bosch · Price on Request

Bosch Fuel Injection Pump DRV (Pressure Control / Regulator Valve), Part No. 0928400782, is designed for Common Rail diesel fuel injection systems,...

Bosch Fuel Injection Pump – Tempo Traveller

Part No: 0445025049 · Bosch · Rs. 24,000

Built for heavy-duty reliability, our Bosch Fuel Injection Pump – Tempo Traveller (Part No. 0445025049) is matched specifically to Tempo Traveller.

Cummins CCR1600 Fuel Injection Pump

Cummins · Rs. 80,000

When timing and pressure matter most, this Cummins CCR1600 Fuel Injection Pump is engineered for Cummins.

NOX SENSORS

NOx Sensor – Eicher

Part No: 23381508 · Rs. 8,000

Built to OEM standards, our NOx Sensor – Eicher (Part No. 23381508) keeps Eicher within compliant emission levels.

Crankshaft Position Sensor

Part No: 21426987 / 20513343 · Rs. 1,980

Keep your emission system compliant with this Crankshaft Position Sensor (Part No. 21426987 / 20513343), built for a wide range of diesel engines.

Bosch EGS-NX2.1 (R01) Sensor Assembly

Part No: 00571015209913-C0 · Bosch · Rs. 7,000

Accurate NOx readings start here — our Bosch EGS-NX2.1 (R01) Sensor Assembly (Part No. 00571015209913-C0) is engineered for a wide range of diesel...

Caterpillar NOx Sensor 0117

Part No: 5390117 · Caterpillar · Price on Request

This Caterpillar NOx Sensor (Sensor No. 0117, Part No. 5390117) is designed for accurate NOx detection and reliable emission-control performance on...

UREA DOSERS

Volvo AdBlue Pump

Part No: 0444042156 / 04440421 / 04444042028 · Bosch · Price on Request

This Bosch Volvo AdBlue Pump (Part No. 0444042156 / 04440421 / 04444042028) is designed for reliable AdBlue/DEF delivery and efficient SCR emission...

NOZZLES

Bosch Injector Nozzle / Valve Component

Part No: 0445111139 · Bosch · Rs. 1,800

Clean combustion starts with proper atomization — this Bosch Injector Nozzle / Valve Component (Part No. 0445111139) is built for a wide range of...

Bosch Injector Nozzle DLLA137P1577

Part No: 0445120075 · Bosch · Rs. 2,400

Clean combustion starts with proper atomization — this Bosch Injector Nozzle / Valve Component (Part No. 445120075) is built for a wide range of...

TOOLS & ELECTRONICS

IGAP-300 Common Rail Injector Tester

Part No: IGAP-300 · Rs. 1,30,000

The IGAP-300 Injector Tester is an advanced diesel injector diagnostic tool used for testing and evaluating the performance of common rail injectors.

P11 ECM – Engine Control Module

Part No: 60100001 · Price on Request

The P11 ECM (Engine Control Module), Part No. 60100001, is a high-quality electronic control unit designed for precise and reliable engine management.

Cummins Engine Control Module (ECM)

Part No: 4921776 / P4921776 · Cummins · Price on Request

This Cummins Engine Control Module (ECM), Part No. 4921776 / P4921776, is built for reliable engine management and precise electronic control on...
